

ALBERT AMADOR JR.

ACTOR, NON-UNION

CAREER SUMMARY

I am an actor from San Diego, California, where my work has primarily been based in college productions and local short/student films. My overall goal is to become an actor; however, being well-rounded can open up so many opportunities for me to take. Therefore, I am committed to improving my craft by working towards adaptability and versatility by experiencing something different, while continuing my career as an actor.
